Terms of Agreement:

The puppy to be sold at an agreed price of **\$1,500.00** as a potential show or breeding quality dog with the following conditions:

1. The Seller agrees to provide all up-to-date vaccinations, medical records, pedigree, and all documents for the dog within 180 days of purchase.
2. The Seller guarantees that at the time of sale, this puppy is in good condition to go home with a new owner. If the dog gets home with its new owner and is unhealthy in any way, the Buyer has five business days to contact the Seller.
3. If a legal veterinarian proves with certification that the puppy is unfit to live in its new home due to a serious medical problem, the Buyer can either choose to return the puppy for a full refund or choose to keep the puppy assuming the cost for any expenses for treatment throughout the dog's lifetime.
4. The Buyer is expected to register all offspring of this dog with the CKC.
5. The Buyer may not sell, or in any other way, transfer ownership of the dog without the written consent of the Seller.

6. This puppy will not be sold to any pet store, research lab, or testing facility. Nor should s/he be given to any rescue or shelter. If the Buyer decides that they can no longer care for the canine purchased, the Buyer is required to contact the Seller immediately.
7. The Seller will then do their best to find a suitable home for the surrendered dog. If the Buyer has already arranged a new home for a surrendered dog, the Seller has the right of first refusal.
8. The puppy is going to a safe and humane home where s/he will be an indoor companion. If the Seller finds out the puppy is living as an outdoor dog or is being treated in an inhumane way, the Seller will permanently repossess the dog at the Buyer's expense.
9. The Buyer agrees to keep the dog's annual vaccinations up to date.

Any additional addendums or clauses should be attached and are to be a permanent part of this agreement.

This above contract is non-transferable. If the Buyer decided to relinquish ownership of the purchased puppy, or in the rare case that the Seller decides to no longer breed (the breed of the dog), this contract is considered null and void. All health guarantees only apply while the Seller is still breeding dogs.
